AND POLLUTION PREVENTION

MS. CHRISTINA M. SWICK
LEWIS & HARRISON, LLC, AGENT FOR
FINCHIMICA S.P.A.
122 C STREET, N.W., SUITE 505
WASHINGTON, DC 20001

Dear Ms. Swick:

Subject: Transfer of Pesticide Registrations From Company Number 68156 to
Company Number 53591

Pursuant to your request in your letter and transfer agreement of January 13, 2014, we have approved the transfer of the following registrations from **DINTEC AGRICHEMICALS, LLC**, company number **68156** to **FINCHIMICA S.P.A.**, company number **53591**.

The effective date of these changes is the date of this letter.

<u>Registered Products</u>	<u>Old EPA Reg. No.</u>	<u>New EPA Reg. No.</u>
DINTEC AGRICHEMICALS / TECHNICAL BENEFIN	68156-1	53591-3
TECHNICAL ETHALFLURALIN	68156-2	53591-4
TECHNICAL TRIFLURALIN	68156-3	53591-5
PENDIMETHALIN TECHNICAL	68156-5	53591-6
IPIMETHALIN-L	68156-6	53591-7

You should indicate the new company designation, new EPA Registration Number and new Establishment Number (if it has changed) on the labeling at the next printing which should occur no later than 18 months after the effective date of this transfer. After 18 months, any product released for shipment must bear the new Registration Number and Establishment Number. If you intend to use the labels which currently appear on the transferor's product after the effective date of the transfer, but within the 18 month grace period, you must maintain

complete and accurate records which identify by batch number, lot number, or other suitable description the quantities of such product bearing the transferor's label. Each container or package bearing the transferor's label which is released after the effective date of product registration transfer, must be clearly and accurately marked with the batch number, lot number or other descriptive designation used to identify the product in your records.

Supplemental distribution agreements of registered products do not transfer with the Section 3 registration. It is your responsibility as the registrant to notify any and all supplemental distributors of the transferred product(s) of this transfer agreement. If you wish to enter into supplemental distribution agreements of your product(s) under this new registration, the form "Notice of Supplemental Distribution of a Registered Pesticide Product," EPA Form 8570-5, must be submitted to the Agency for each supplemental distributorship.

You are required to contact your local EPA Regional Office to determine what effect this transfer of pesticide registrations has on the pesticide production establishment registration.

It will not be necessary to submit labeling for review if the only changes are in the company designation and the EPA Registration Number. Other changes in the product and/or labeling may require EPA review and approval prior to distribution or sale of the product containing the new registration number. In any correspondence on these products always refer to the U.S. EPA Registration Number listed above.

The transferred registration will have the same status under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, 7 USC 136 et seq., as it had prior to the approval of this transfer.

When registrations are transferred from one company to a second company, all restrictions, data requirements, conditions (suspensions), and deadlines existing on the registrations are transferred with the registrations. The new company is responsible for adhering to or complying with all such restrictions, etc. on the acquired products.

With regard to deadlines, the transferee company is responsible for submitting all required data according to the schedules already established for the acquired products. Failure to do so will result in the issuance of a Notice of Intent to Suspend. Requests from transferee companies for additional time to submit, because they acquired the registration(s) after the 3(c)(2)(B) request was issued will not be granted. If a transferee company has other valid reasons for delays in the testing which were clearly outside of their control, then such requests for time extensions will be considered in accordance with the established procedures. Transfers occurring while a 3(c)(2)(B) request is being issued or during the 90-day response time are subject to the same conditions expressed above.

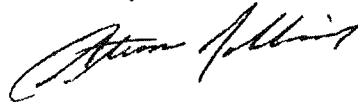

Registration is in no way to be construed as an endorsement or approval of these products by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with FIFRA.

Furthermore, the transfer of the subject registrations is approved under the condition that the annual maintenance fee obligation has been fully satisfied. The annual maintenance fee

is based solely on the total number of active section 3 and section 24(c) registrations held by the transferor. If the annual maintenance fee has not been fully satisfied, the transferee and transferor will be notified to comply within a specified time period or the affected registrations may be canceled.

By copy of this letter we are informing the transferor of these changes. If you have any questions, please contact Louis Vaughn at (703) 308-8114.

Sincerely,

Steve Robbins, Chief
Information Services Branch
Information Technology & Resource Management Div. (7504P)

Inert Ingredients 5%

Total 100%

CAUTION

Precautionary Statements

Hazards to Humans and Domestic Animals

Harmful If Swallowed Or Absorbed Through The Skin • Causes Moderate Eye Irritation

Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

First Aid

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice..

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact 1-800-992-5994 for emergency medical treatment information.

Environmental Hazards

This pesticide is toxic to fish. Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

Attention: Do not use air pressure or apply heat with open flame to remove contents of this drum. After emptied, drum may retain solid, liquid, and/or vapor residues. Continue to observe all precautions on label. Do not cut, puncture, torch, or weld on or near the emptied drum. Do not use for other purposes.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a herbicide for the following use(s): alfalfa, bearing citrus and tree nuts, bearing pome fruits and stone fruits, bearing pomegranate, carrots, cotton, dry bulb onions, dry bulb shallots, edible beans [dry, lima, snap, chickpeas (garbanzo beans), southern peas (cowpeas)] and sweet lupines,

field corn, forage legumes, garlic, grain sorghum, mint (peppermint and spearmint), nonbearing fruit and nut crops and vineyards, peanuts, peas (English, dry, garden, dwarf, green, pigeon, edible pod, and lentils), popcorn, potatoes, rice, seed corn, soybeans, sugarcane, sunflowers, sweet corn, tobacco, and wheat. This product may be used to formulate products for any additional use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Keep only in the original container in a cool, dry, well-ventilated place away from ignition source, heat or flame. Avoid prolonged storage at temperatures in excess of 95°F. Protect containers from physical damage and against contamination.

Container Reuse: Refillable container. Refill this container with pesticide only. Do not reuse this container for any other purpose.

Cleaning the container before final disposal is the responsibility of the person disposing of the container. Cleaning before refilling is the responsibility of the refiller. To clean the container before final disposal, empty the remaining contents from this container into application equipment or a mix tank. Fill the container about 10% full with water and, if possible, spray all sides while adding water. If practical, agitate vigorously or recirculate water with the pump for two minutes. Pour or pump rinsate into application equipment or rinsate collection system. Repeat this rinsing procedure two more times.

Warranty Limitations and Disclaimer

Dintec Agrichemicals warrants that at the time of delivery, the product will conform to its chemical description on the label, that it will pass without objection in the trade under the contract description, that seller will convey good title thereto, and that such product will be delivered free from any lawful security interest, lien or encumbrance.

This is the only warranty made on this product. To the extent permitted by law, Dintec Agrichemicals EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND, EXCEPT AS SET FORTH IN THE ABOVE PARAGRAPH, ANY OTHER EXPRESS OR IMPLIED WARRANTIES. Buyer acknowledges the use of its own independent skill and expertise in the selection and use of the product and does not rely on any oral or written statements or representations.

In case of emergency endangering health or the environment involving this product, call 1-800-992-5994.

Manufacturing Chemical: Do not ship or store with food, feeds, drugs or clothing.

Dear Mr. McMaster:

Subject: Label Amendments
Confidential Statement of Formula
Pendimethalin Technical
EPA Reg. No. 68156-5
Submission dated January 15, 2007

The labeling, referred to above, submitted in connection with the registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

The amended label supersedes all previously accepted labels. A stamped copy of the revised label is enclosed for your records. Please submit one copy of your final printed label before you release the product for shipment.

Sincerely yours,

Jim Tompkins

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a herbicide for the following use(s): alfalfa, bearing citrus and tree nuts, bearing pome fruits and stone fruits, bearing pomegranate, carrots, cotton, dry bulb onions, dry bulb shallots, edible beans [dry, lima, snap, chickpeas (garbanzo beans), southern peas (cowpeas)] and sweet lupines,

field corn, forage legumes, garlic, grain sorghum, mint (peppermint and spearmint), nonbearing fruit and nut crops and vineyards, peanuts, peas (English, dry, garden, dwarf, green, pigeon, edible pod, and lentils), popcorn, potatoes, rice, seed corn, soybeans, sugarcane, sunflowers, sweet corn, and tobacco, and wheat. This product may be used to formulate products for any additional use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Keep only in the original container in a cool, dry, well-ventilated place away from ignition source, heat or flame. Avoid prolonged storage at temperatures in excess of 95°F. Protect containers from physical damage and against contamination.

Container Reuse: Refillable container. Refill this container with pesticide only. Do not reuse this container for any other purpose.

Cleaning the container before final disposal is the responsibility of the person disposing of the container. Cleaning before refilling is the responsibility of the refiller. To clean the container before final disposal, empty the remaining contents from this container into application equipment or a mix tank. Fill the container about 10% full with water and, if possible, spray all sides while adding water. If practical, agitate vigorously or recirculate water with the pump for two minutes. Pour or pump rinsate into application equipment or rinsate collection system. Repeat this rinsing procedure two more times.

Pesticide Disposal: ~~Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.~~

Container Disposal: ~~Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Open dumping is prohibited.~~

Warranty Limitations and Disclaimer

Dintec Agrichemicals warrants that at the time of delivery, the product will conform to its chemical description on the label, that it will pass without objection in the trade under the contract description, that seller will convey good title thereto, and that such product will be delivered free from any lawful security interest, lien or encumbrance.

This is the only warranty made on this product. To the extent permitted by law, Dintec Agrichemicals EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND, EXCEPT AS SET FORTH IN THE ABOVE PARAGRAPH, ANY OTHER EXPRESS OR IMPLIED WARRANTIES. Buyer acknowledges the use of its own independent skill and expertise in the selection and use of the product and does not rely on any oral or written statements or representations.

In case of emergency endangering health or the environment involving this product, call 1-800-992-5994.

Manufacturing Chemical: Do not ship or store with food, feeds, drugs or clothing.

Dear Mr. McMaster:

Subject: Label Amendment
Pendimethalin Technical
EPA Reg. No. 68156-5
Submission dated April 3, 2007

The labeling, referred to above, submitted in connection with the registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

The amended label supersedes all previously accepted labels. A stamped copy of the revised label is enclosed for your records. Please submit one copy of your final printed label before you release the product for shipment.

Sincerely yours,

Jim Tompkins
Product manager (25)

PENDIMETHALIN TECHNICAL (A.I. PENDIMETHALIN)
EPA REGISTRATION NUMBER: 68156-5
SUBMISSION OF FINAL PRINTED MAIN LABELING

Enclosed is final printed labeling for Pendimethalin Technical herbicide based on EPA-accepted labeling dated March 27, 2007 with the following conditions of acceptance:

1. Environmental Hazards: Added "This pesticide is toxic to fish."
2. Storage and Disposal: Added "Keep only in. . . and against contamination." to statement for Pesticide Storage.
3. Warranty Limitations and Disclaimer: Revised the second sentence in the second paragraph to read "To the extent permitted by law, Dintec. . . ." Per a January 25, 2007 conversation between Michele Knorr (EPA OGC) and Charley Kirk (Dintec Legal), EPA has no objection with Dintec using the phrase "To the extent permitted by law."

Contents of Submission

- Transmittal document (this letter)
- Label entitled Pendimethalin Technical (19A/Pendimethalin Technical/FPL/04-03-07) (2 Pages plus Registration Notes) (1 Copy)
- Complimentary copy of EPA stamped-accepted label dated March 27, 2007

If you require further information, please contact Cindy Loy, Regulatory Specialist at (317) 337-4655 or Paula McKinnies, Registration Assistant for this product, at (317) 337-4679.

Sincerely,

A handwritten signature in cursive script that reads "Steve McMaster".

Active Ingredient:

pendimethalin: N-(1-ethylpropyl)-3,4-dimethyl-2,6-dinitrobenzenamine	95%
Inert Ingredients	5%
Total	100%

CAUTION

Precautionary Statements

Hazards to Humans and Domestic Animals

Harmful If Swallowed Or Absorbed Through The Skin • Causes Moderate Eye Irritation

Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

First Aid

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice..

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact 1-800-992-5994 for emergency medical treatment information.

Environmental Hazards

This pesticide is toxic to fish. Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

Attention: Do not use air pressure or apply heat with open flame to remove contents of this drum. After emptied, drum may retain solid, liquid, and/or vapor residues. Continue to observe all precautions on label. Do not cut, puncture, torch, or weld on or near the emptied drum. Do not use for other purposes.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a herbicide for the following use(s): bearing citrus and tree nuts, carrots, cotton, dry bulb onions, dry bulb shallots, edible beans [dry, lima, snap, chickpeas (garbanzo beans), southern peas (cowpeas)] and sweet lupines, field corn, forage legumes, garlic, grain sorghum, mint (peppermint

and spearmint), nonbearing fruit and nut crops and vineyards, peanuts, peas (English, dry, garden, dwarf, green, pigeon, edible pod, and lentils), popcorn, potatoes, rice, seed corn, soybeans, sugarcane, sunflowers, sweet corn, and tobacco. This product may be used to formulate products for any additional use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Keep only in the original container in a cool, dry, well-ventilated place away from ignition source, heat or flame. Avoid prolonged storage at temperatures in excess of 95°F. Protect containers from physical damage and against contamination.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Open dumping is prohibited.

Warranty Limitations and Disclaimer

Dintec Agrichemicals warrants that at the time of delivery, the product will conform to its chemical description on the label, that it will pass without objection in the trade under the contract description, that seller will convey good title thereto, and that such product will be delivered free from any lawful security interest, lien or encumbrance.

Dear Mr. McMaster:

Subject: Label Amendments
Pendimethalin Technical
EPA Reg. No. 68156-5
Ipimethalin-L
EPA Reg. No. 68156-6
Submission dated October 16, 2006

The labeling, referred to above, submitted in connection with the registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, are not acceptable, for the following reason:

The basic confidential statement of formula (CSF), dated August 5, 2003, indicated that the manufacturer is [REDACTED]. This company is no longer the registrant for this product. The information in the CSF is obsolete. You need to submit the correct basic CSFs for the subject products for review and acceptance. You need to resubmit the supplemental labeling for the ipimethalin-L after the basic CSFs have been accepted.

Sincerely yours,

Jim Tompkins

Indianapolis, IN 46268-1054

Dear Mr. McMaster:

Subject: Label Amendment
Confidential Statement of Formula
Pendimethalin Technical
EPA Reg. No. 68156-5
Submission dated January 15, 2007

The labeling, referred to above, submitted in connection with the registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, provided that you make the following changes:

1. Under "Environmental Hazards";

Add "This pesticide is toxic to fish."

2. Under "Pesticide Storage";

Add the following statements:

"Keep only in the original container in a cool, dry, well-ventilated place away from ignition source, heat or flame. Avoid prolonged storage at temperatures in excess of 95 °F. Protect containers from physical damage and against contamination."

3. Under "Warranty Limitations and Disclaimer";

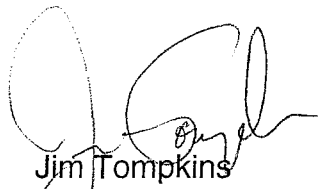

Add "To the fullest extent permitted by law," before "Dintec Agrichemicals EXPRESSLY . . . IMPLIED WARRANTIES."

Page 2
EPA Reg. No. 68156-5

The amended label supersedes all previously accepted labels. A stamped copy of the revised label is enclosed for your records. Please submit one copy of your final printed label before you release the product for shipment.

The proposed Basic Confidential Statement of Formulas (CSF) is acceptable. The new basic CSF replaces the currently accepted one. A copy of the CSF will be kept in our files for this product.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Jim Tompkins", is written over the printed name.

Enclosure

Pendimethalin Technical

EPA Reg. No. 68156-5

Registration Notes:

Source label text based on EPA accepted copy dated June 30, 2003.

Proposed changes by amendment:

1. Moved generic descriptor "herbicide" directly underneath product name.
2. Revised statement "An Herbicide For Formulating Use Only" to read "For Manufacturing Use Only."
3. Added "and Domestic Animals" to "Hazards to Humans."
4. Environmental Hazards: Revised section per Chapter 8 of the Label Review Manual.
5. Directions for Use: Revised "uses" paragraph and added bearing citrus and tree nuts, carrots, mint, popcorn and seed corn.
6. Storage and Disposal: (1) Added "Do not contaminate water, food, or feed by storage and disposal." per Chapter 13 of the Label Review Manual; (2) added "Pesticide" before "Storage" per Chapter 13 of Label Review Manual.
7. Revised emergency statement to read "In case of emergency endangering health or the environment involving this product, call 1-800-992-5994."

14Mar07-Additional proposed changes by amendment:

1. Ingredients statement: Per a December 20, 2006 EPA review letter, revised percent active ingredient and percent inert ingredients.

Precautionary Statements

Hazards to Humans and Domestic Animals

Harmful If Swallowed Or Absorbed Through The Skin • Causes Moderate Eye Irritation

Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

First Aid

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice..

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact 1-800-992-5994 for emergency medical treatment information.

Environmental Hazards

Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

Attention: Do not use air pressure or apply heat with open flame to remove contents of this drum. After emptied, drum may retain solid, liquid, and/or vapor residues. Continue to observe all precautions on label. Do not cut, puncture, torch, or weld on or near the emptied drum. Do not use for other purposes.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a herbicide for the following use(s): bearing citrus and tree nuts, carrots, cotton, dry bulb onions, dry bulb shallots, edible beans [dry, lima, snap, chickpeas (garbanzo beans), southern peas (cowpeas)] and sweet lupines, field corn, forage legumes, garlic, grain sorghum, mint (peppermint

and spearmint), nonbearing fruit and nut crops and vineyards, peanuts, peas (English, dry, garden, dwarf, green, pigeon, edible pod, and lentils), popcorn, potatoes, rice, seed corn, soybeans, sugarcane, sunflowers, sweet corn, and tobacco. This product may be used to formulate products for any additional use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Do not contaminate water, food or feed by storage or disposal.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Open dumping is prohibited.

Warranty Limitations and Disclaimer

Dintec Agrichemicals warrants that at the time of delivery, the product will conform to its chemical description on the label, that it will pass without objection in the trade under the contract description, that seller will convey good title thereto, and that such product will be delivered free from any lawful security interest, lien or encumbrance.

This is the only warranty made on this product. Dintec Agrichemicals EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND, EXCEPT AS SET FORTH IN THE ABOVE PARAGRAPH, ANY OTHER EXPRESS OR IMPLIED WARRANTIES. Buyer acknowledges the use of its own independent skill and expertise in the selection and use of the product and does not rely on any oral or written statements or representations.

In case of emergency endangering health or the environment involving this product, call 1-800-992-5994.

Manufacturing Chemical: Do not ship or store with food, feeds, drugs or clothing.

PENDIMETHALIN TECHNICAL (AI: PENDIMETHALIN)
EPA REGISTRATION NUMBER: 68156-5
SUBMISSION OF AMENDED MAIN LABELING

Enclosed is proposed amended labeling for Pendimethalin Technical herbicide based on EPA stamped accepted labeling dated June 30, 2003. Proposed changes by amendment, as follows:

1. Moved generic descriptor "herbicide" directly underneath product name.
2. Revised statement "An Herbicide For Formulating Use Only" to read "For Manufacturing Use Only."
3. Added "and Domestic Animals" to "Hazards to Humans."
4. Environmental Hazards: Revised section per Chapter 8 of the Label Review Manual.
5. Directions for Use: Revised "uses" paragraph and added bearing citrus and tree nuts, carrots, mint, popcorn and seed corn.
6. Storage and Disposal: (1) Added "Do not contaminate water, food, or feed by storage and disposal." per Chapter 13 of the Label Review Manual; (2) added "Pesticide" before "Storage" per Chapter 13 of Label Review Manual.
7. Revised emergency statement to read "In case of emergency endangering health or the environment involving this product, call 1-800-992-5994."

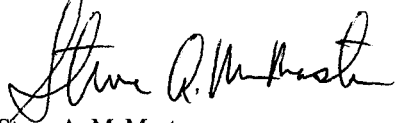

Contents of Submission

- Transmittal document (this letter)

Dear Mr. McMaster:

Subject: Alternate Confidential Statement of Formula
Pendimethalin Technical
EPA Reg. No. 68156-5
Submission dated January 15, 2007

The revised alternate confidential statement of formula (ACSF), referred to above, submitted in connection with the registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. The new ACSF replaces the previously accepted one and it will be kept in our file for this product.

Sincerely yours,

Jim Tompkins
